10 pine hills land authority act".

11 § 2676-a. Statement of legislative findings and purpose. The legisla-
12 ture hereby finds and declares as follows:

13 1. The economic well-being of the county and the general welfare of
14 its people require adequate, and accessible performing arts centers,
15 athletic fields, educational facilities, and residential facilities.

16 2. The preservation and safeguarding of facilities at risk of being
17 underutilized and becoming blighted is a matter of vital importance not
18 only to the residents of the capital district but to all the state's
19 residents and is, therefore, a matter of state concern.

20 3. In order to ensure a healthy economy for such area and to promote
21 the general welfare of its residents, it is necessary to maintain and
22 improve the college of Saint Rose facilities and services in the county
23 of Albany in such a manner as to stimulate and promote a healthy econo-
24 my.

25 4. The general health and welfare of the state's residents requires
26 coordinated operation of the college of Saint Rose facilities and
27 services in the county of Albany by a public benefit authority.

28 5. The purposes of such authority shall be: (a) to promote accessible,
29 efficient and economically productive use of the facilities; (b) to
30 acquire, construct, reconstruct, continue, develop, equip, expand,
31 improve, maintain, finance, and operate the college of Saint Rose facil-
32 ities and services within the county of Albany; (c) to stimulate and
33 promote economic development; and (d) to make contracts and leases and
34 to execute all instruments necessary or convenient for its corporate
35 purposes.

36 6. Such purposes are in all respects public purposes for the benefit
37 of the people of the state of New York and for which public funds may be
38 expended and both the county and the authority in carrying out their
39 respective powers and duties under this title shall be deemed to be
40 acting in a governmental capacity. The acquisition, construction, recon-
41 struction, development, expansion, improvement, equipping, operation and
42 maintenance of any project financed or undertaken by the authority or
43 the county shall be deemed to be the performance of an essential govern-
44 mental function by the authority or the county acting in its govern-
45 mental capacity, whether such project shall be owned or operated by the
46 authority or by any person or public corporation.

47 7. It is hereby found and declared that it has been and remains the
48 policy of the state of New York to promote equal opportunity in employ-
49 ment for all persons, without discrimination on account of race, creed,
50 color, national origin, sex, age, disability or marital status, to
51 promote equality of economic opportunity for minority group members and
52 women, and minority and women-owned business enterprises.

34 and standards of operations and such other rules and regulations includ-
35 ing but not limited to rules and regulations governing the conduct,
36 safety, and security of the public as it may deem necessary, convenient,
37 or desirable for the use, operation, and management of any project and
38 related services operated or managed by the authority or under contract,
39 lease or other arrangement, including joint service arrangements, with
40 the authority. Such rules and regulations governing the conduct, safety,
41 and security of the public shall be filed with the department of state
42 in the manner provided by section one hundred two of the executive law.
43 In the case of any conflict between any such rule or regulation of the
44 authority governing the conduct, safety, and security of the public and
45 any local law, ordinance, rule, or regulation, such rule or regulation
46 of the authority shall prevail.

47 5. The authority may do all things it deems necessary, convenient, or
48 desirable to manage, control, and direct the maintenance and operation
49 of the college of Saint Rose facilities, equipment, or property operated
50 by or under contract, lease, or other arrangement with the authority.
51 Except as agreed to pursuant to any agreement between the authority and
52 any public corporation and except as hereinafter specially provided, no
53 municipality except for the county, shall have jurisdiction over any
54 facilities of the authority or any of its activities or operations. The
55 authority shall provide for such facilities police, fire, and health
56 protection services.

1 6. The authority may accept unconditional grants of money or property
2 from any municipality where the whole or any part of such municipality
3 is served or is to be served by a facility operated by the authority.
4 Such grants of money or property shall be for the purpose of assisting
5 the authority in meeting its capital or operating expenses. The accept-
6 ance of any such grant shall not operate to make the authority an agency
7 of the municipality making such grant.

8 7. In any instance where the county is required by law, with respect
9 to any of the college of Saint Rose facilities, to conduct a public
10 hearing in connection with a contract, lease, joint service arrangement,
11 charge, rental, or fee, the authority shall not enter into such
12 contract, lease, joint service arrangement, or establish, fix, revise,
13 or levy any charge, rental, concession fee, or other fee unless and
14 until the authority has held a public hearing at which interested
15 persons have had an opportunity to be heard concerning the same,
16 provided, however, if the county has conducted a public hearing in
17 connection with such contract, lease, joint service agreement, charge,
18 rental, or fee, the authority shall not be required to hold a public
19 hearing. Notice of such public hearing shall be published by the author-
20 ity at least ten days before the date set therefor, in at least one
21 newspaper of general circulation in the county. Such notice shall set
22 forth the date, time, and place of such hearing and shall include a
23 brief description of the matters to be considered at such meeting. At
24 all such hearings, any interested persons shall have an opportunity to
25 be heard concerning the matters under consideration. Any decision of the
26 authority on matters considered at such public hearing shall be in writ-
27 ing and be made available in the office of the authority for public
28 inspection during regular office hours.

29 § 2676-h. Bonds of the authority. 1. The authority shall have the
30 power and is hereby authorized from time to time to issue bonds, notes
31 or other obligations to pay the cost of any project or for any other
32 corporate purpose, including the establishment of reserves to secure the
33 bonds, the payment of principal of, premium, if any, and interest on the
34 bonds and the payment of incidental expenses in connection therewith.
35 The aggregate principal amount of such bonds, notes, or other obli-
36 gations outstanding shall not exceed eighty million dollars, excluding
37 bonds, notes, or other obligations issued to refund or otherwise repay
38 bonds, notes, or other obligations theretofore issued for such purposes;
39 provided, however, that upon any such refunding or repayment the total
40 aggregate principal amount of outstanding bonds, notes, or other obli-
41 gations may be greater than eighty million dollars only if the present
42 value of the aggregate debt service of the refunding or repayment bonds,
43 notes, or other obligations to be issued shall not exceed the present
44 value of the aggregate debt service of the bonds, notes, or other obli-
45 gations so to be refunded or repaid. For purposes hereof, the present
46 values of the aggregate debt service of the refunding or repayment
47 bonds, notes, or other obligations and of the aggregate debt service of
48 the bonds, notes, or other obligations so refunded or repaid, shall be
49 calculated by utilizing the effective interest rate of the refunding or
50 repayment bonds, notes, or other obligations, which shall be that rate
51 arrived at by doubling the semi-annual interest rate (compounded semi-
52 annually) necessary to discount the debt service payments on the refund-
53 ing or repayment bonds, notes, or other obligations from the payment
54 dates thereof to the date of issue of the refunding or repayment bonds,
55 notes, or other obligations and to the price bid including estimated
56 accrued interest or proceeds received by the authority including esti-

1 mated accrued interest from the sale thereof. The authority shall have
2 power and is hereby authorized to enter into such agreements and perform
3 such acts as may be required under any applicable federal legislation to
4 secure a federal guarantee of any bonds.

5 2. The authority shall have power from time to time to renew bonds or
6 to issue renewal bonds for such purpose, to issue bonds to pay bonds,
7 and, whenever it deems refunding expedient, to refund any bond by the
8 issuance of new bonds, whether the bonds to be refunded have or have not
9 matured, and may issue bonds partly to refund bonds then outstanding and
10 partly for any other corporate purpose of the authority. Bonds, other
11 than notes or other evidence of indebtedness, issued for refunding
12 purposes, which have a final maturity date longer than the maturity of
13 the bonds being refunded, shall be approved by a resolution of the coun-
14 ty legislature adopted by a majority vote and approved by the county
15 executive. Bonds issued for refunding purposes shall be sold and the
16 proceeds applied to the purchase, redemption, or payment of the bonds or
17 notes to be refunded.

18 3. Bonds issued by the authority may be general obligations of the
19 authority or may be special obligations payable solely out of particular
20 revenues or other moneys as may be designated in the proceedings of the
21 authority under which the bonds shall be authorized to be issued,
22 subject as to priority only to any agreements with the holders of
23 outstanding bonds pledging any particular property, revenues, or moneys.
24 The authority may also enter into loan agreements, lines of credit and
25 other security agreements and obtain for or on its behalf letters of
26 credit, insurance, guarantees, or other credit enhancements to the
27 extent now or hereafter available, in each case for securing its bonds
28 or to provide direct payment of any costs which the authority is author-
29 ized to pay.

30 4. (a) Bonds shall be authorized by resolution of the authority, be in
31 such denominations and bear such date or dates and mature at such time
32 or times, as such resolution may provide, provided that bonds and
33 renewals thereof shall mature within forty years from the date of
34 original issuance of any such bonds.

35 (b) Bonds shall be subject to such terms of redemption, bear interest
36 at such rate or rates, be payable at such times, be in such form, either
37 coupon or registered, carry such registration privileges, be executed in
38 such manner, be payable in such medium of payment at such place or plac-
39 es, and be subject to such terms and conditions as such resolution may
40 provide. Notwithstanding any other provision of law, the bonds of the
41 authority issued pursuant to this section shall be sold to the bidder
42 offering the lowest true interest cost, taking into consideration any
43 premium or discount not less than four nor more than fifteen days,
44 Sundays excepted, after a notice of such sale has been published at
45 least once in a newspaper of general circulation in the area served by
46 the authority, which shall state the terms of the sale. The terms of the
47 sale shall not change unless notice of such change is published in such
48 newspaper at least one day prior to the date of the sale as set forth in
49 the original notice of sale. Advertisements shall contain a provision to
50 the effect that the authority, in its discretion, may reject any or all
51 bids made in pursuance of such advertisements, and in the event of such
52 rejection, the authority is authorized to negotiate a private or public
53 sale or readvertise for bids in the form and manner above described as
54 many times as, in its judgment, may be necessary to effect satisfactory
55 sale.

1 (c) Notwithstanding paragraph (b) of this subdivision, whenever in the
2 judgment of the authority the interests of the authority will be served
3 thereby, the members of the authority, on the written recommendation of
4 the chairperson, may authorize the sale of such bonds at private or
5 public sale on a negotiated basis or on either a competitive or negoti-
6 ated basis. The authority shall set guidelines governing the terms and
7 conditions of any such private or public sales. The private or public
8 bond sale guidelines set by the authority shall include, but not be
9 limited to, a requirement that where the interests of the authority will
10 be served by a private or public sale of bonds, the authority shall
11 select underwriters for each private or public bond sale conducted
12 pursuant to a request for proposal process and consideration of
13 proposals from qualified underwriters taking into account, among other
14 things, qualifications of underwriters as to experience, their ability
15 to structure and sell authority bond issues, anticipated costs to the
16 authority, the prior experience of the authority with the firm, if any,
17 the capitalization of such firms, participation of qualified minority
18 and women-owned business enterprise firms in such private or public
19 sales of bonds of the authority and the experience and ability of firms
20 under consideration to work with minority and women-owned business
21 enterprises so as to promote and assist participation by such enter-
22 prises.

23 (d) The authority shall have the power from time to time to amend such
24 private bond sale guidelines in accordance with the provisions of this
25 subdivision.

26 (e) No private or public bond sale on a negotiated basis shall be
27 conducted by the authority without prior approval of the state comp-
28 troller and the county comptroller. The authority shall annually prepare
29 and approve a bond sale report which shall include the private or public
30 bond sale guidelines as specified in this subdivision, amendments to
31 such guidelines since the last private or public bond sale report, an
32 explanation of the bond sale guidelines and amendments, and the results
33 of any sale of bonds conducted during the fiscal year. Such bond sale
34 report may be a part of any other annual report that the authority is
35 required to make.

36 (f) The authority shall annually submit its bond sale report to the
37 state comptroller and the county comptroller and copies thereof to the
38 senate finance committee and the assembly ways and means committee.

39 (g) The authority shall make available to the public copies of its
40 bond sale report upon reasonable request thereof.

41 (h) Nothing contained in this subdivision shall be deemed to alter,
42 affect the validity of, modify the terms of or impair any contract or
43 agreement made or entered into in violation of, or without compliance
44 with, the provisions of this subdivision.

45 5. Any resolution or resolutions authorizing bonds or any issue of
46 bonds may contain provisions which may be a part of the contract with
47 the holders of the bonds thereby authorized as to:

48 (a) pledging all or part of the revenues, other monies or property of
49 the authority to secure the payment of the bonds, or any costs of issu-
50 ance thereof, including but not limited to any contracts, earnings, or
51 proceeds of any grant to the authority received from any private or
52 public source subject to such agreements with bond holders as may then
53 exist;

54 (b) the setting aside of reserves and the creation of sinking funds
55 and the regulation and disposition thereof;

1 (c) limitations on the purpose to which the proceeds from the sale of
2 bonds may be applied;

3 (d) the rates, rents, fees, and other charges to be fixed and
4 collected by the authority and the amount to be raised in each year
5 thereby and the use and disposition of revenues;

6 (e) limitations on the right of the authority to restrict and regulate
7 the use of the project or part thereof in connection with which bonds
8 are issued;

9 (f) limitations on the issuance of additional bonds, the terms upon
10 which additional bonds may be issued and secured and the refunding of
11 outstanding or other bonds;

12 (g) the procedure, if any, by which the terms of any contract with
13 bond holders shall be amended or abrogated, the amount of bonds the
14 holders of which shall consent thereto, and the manner in which such
15 consent shall be given;

16 (h) the creation of special funds into which any revenues or monies
17 shall be deposited;

18 (i) the terms and provisions of any trust, mortgage, deed or indenture
19 securing the bonds under which the bond shall be issued;

20 (j) vesting in a trustee or trustees such properties, rights, powers,
21 and duties in trust as the authority may determine which may include any
22 or all of the rights, powers, and duties of the trustees appointed by
23 the bond holders to appoint a trustee pursuant to this title or limiting
24 the rights, duties, and powers of such trustee;

25 (k) defining the acts or omissions to act which shall constitute a
26 default in the obligations and duties of the authority to the bond hold-
27 ers and providing for the rights and remedies of the bond holders in the
28 event of such default, including as a matter of right appointment of a
29 receiver, provided, however, that such rights and remedies shall not be
30 inconsistent with the general laws of the state and other provisions of
31 this title;

32 (l) limitations on the power of the authority to sell or otherwise
33 dispose of any project or any part thereof;

34 (m) limitations on the amount of revenues and other monies to be
35 expended for operating, administrative or other expenses of the authori-
36 ty;

37 (n) the payment of the proceeds of bonds, revenues, and other monies
38 to a trustee or other depository, and for the method of disbursement
39 thereof with such safeguards and restrictions as the authority may
40 determine; and

41 (o) any other matters of like or different character which in any way
42 affect the security or protection of the bonds or the rights and reme-
43 dies of bondholders.

44 6. In addition to the powers conferred upon the authority to secure
45 its bonds under this section, the authority shall have power in
46 connection with the issuance of bonds to adopt resolutions and enter
47 into such trust indentures, agreements or other instruments as the
48 authority may deem necessary, convenient or desirable concerning the use
49 or disposition of its revenues or other monies or property, including
50 the mortgaging of any property and the entrusting, pledging, or creation
51 of any other security interest in any such revenues, monies, or property
52 and the doing of any act, including refraining from doing any act which
53 the authority would have the right to do in the absence of such resol-
54 utions, trust indentures, agreements, or other instruments. The authori-
55 ty shall have power to enter into amendments of any such resolutions,
56 trust indentures, agreements, or other instruments. The provisions of

1 any such resolutions, trust indentures, agreements, or other instruments
2 may be made a part of the contract with the holders of bonds of the
3 authority.

4 7. Notwithstanding any provision of the uniform commercial code to the
5 contrary, any pledge of or other security interest in revenues, monies,
6 accounts, contract rights, general intangibles, or other personal prop-
7 erty made or created by the authority shall be valid, binding, and
8 perfected from the time when such pledge is made or other security
9 interest attaches without any physical delivery of the collateral or
10 further act, and the lien of any such pledge or other security interest
11 shall be valid, binding, and perfected against all parties having claims
12 of any kind in tort, contract, or otherwise against the authority irre-
13 spective of whether or not such parties have notice thereof. No instru-
14 ment by which such a pledge or security interest is created, nor any
15 financing statement need be recorded or filed.

16 8. Regardless of whether the bonds are of such form and character as
17 to be negotiable instruments under the terms of the uniform commercial
18 code, the bonds are hereby made negotiable instruments within the mean-
19 ing of and for all the purposes of the uniform commercial code, subject
20 only to the provisions of the bonds for registration.

21 9. Neither the members of the authority nor any person executing its
22 bonds shall be liable personally on its bonds or be subject to any
23 personal liability or accountability by reason of the issuance thereof.

24 10. Subject to such agreements with bondholders as may then exist, the
25 authority shall have power out of any funds available therefor to
26 purchase bonds of the authority, which shall thereupon be cancelled, at
27 a price not exceeding (a) if the bonds are then redeemable, the redemp-
28 tion price then applicable plus accrued interest to the next interest
29 payment date; or (b) if the bonds are not then redeemable, the redemp-
30 tion price applicable on the first date after such purchase upon which
31 the bonds become subject to redemption plus accrued interest to the next
32 interest payment date. Bonds so purchased shall thereupon be cancelled.

33 § 2676-i. Remedies of bondholders. Subject to any resolution or resolu-
34 tions adopted pursuant to this title:

35 1. In the event that the authority shall default in the payment of
36 principal or of interest on any issue of bonds, after the same shall
37 become due, whether at maturity or upon call for redemption, and such
38 default shall continue for a period of thirty days, or in the event that
39 the authority shall fail or refuse to comply with the provisions of this
40 title or shall default in any agreement made with the holders of any
41 issue of bonds, the holders of twenty-five per centum in aggregate prin-
42 cipal amount of the bonds of such issue then outstanding, by instrument
43 or instruments filed in the office of the clerk of the county in which
44 the principal office of the authority is located and proved or acknowl-
45 edged in the same manner as a deed to be recorded, may appoint a trustee
46 to represent the holders of such bonds for the purpose provided under
47 this section.

48 2. Such trustee may, and upon written request of the holders of twen-
49 ty-five per centum in principal amount of such bonds outstanding shall,
50 in such trustee's own name:

51 (a) by action or proceeding in accordance with the civil practice law
52 and rules, enforce all rights of the bondholders, including the right to
53 require the authority to collect rents, rates, fees, and charges
54 adequate to carry out any agreement as to, or pledge of, such rents,
55 rates, fees, and charges and to require the authority to carry out any

1 other agreements with the holders of such bonds to perform its duties
2 under this title;

3 (b) bring an action or proceeding upon such bonds;

4 (c) by action or proceeding, require the authority to account as if it

6 (d) by action or proceeding, enjoin any acts or things which may be
7 unlawful or in violation of the rights of the holders of such bonds; and

8 (e) declare all such bonds due and payable, and if all defaults shall
9 be made good, then with the consent of the holders of the twenty-five
10 per centum of the principal amount of such bonds then outstanding, to
11 annul such declaration and its consequences.

12 3. Such trustee shall in addition to the provisions of subdivisions
13 one and two of this section, have and possess all of the powers neces-
14 sary or appropriate for the exercise of any functions specifically set
15 forth under this section or incident to the general representation of
16 bond holders in the enforcement and protection of their rights.

17 4. The supreme court shall have jurisdiction of any action or proceed-
18 ing by the trustee on behalf of such bond holders. The venue of any such
19 action or proceeding shall be laid in the county.

20 5. Before declaring the principal of bonds due and payable the trustee
21 shall first give thirty days notice in writing to the authority.

22 6. (a) Any such trustee, whether or not the issue of bonds represented
23 by such trustee has been declared due and payable, shall be entitled as
24 of right to the appointment of any receiver of any part or parts of the
25 project, the revenues of which are pledged for the security of bonds of
26 such issue, and such receiver may enter and take possession of such part
27 or parts of the project and, subject to any pledge or agreement with the
28 holders of such bonds, shall take possession of all monies and other
29 property derived from such part or parts of the project and proceed with
30 any construction thereon or the acquisition of any property, real or
31 personal, in connection therewith that the authority is under obligation
32 to do, and operate, maintain, and reconstruct such part or parts of the
33 project and collect and receive all revenues thereafter arising there
34 from subject to any pledge or agreement with bond holders relating ther-

38 cil fees, and expenses of the trustee and of the receiver, if any, shall
39 constitute taxable disbursements and all costs and disbursements allowed
40 by the court shall be a first charge on any revenues derived from the
41 project.

42 § 2676-j. State and county not liable on authority bonds. Neither the
43 state, the county, nor the city shall be liable on the bonds of the
44 authority and such bonds shall not be a debt of the state, the county or

46 to such effect.

47 § 2676-k. Monies of the authority. All monies of the authority from
48 whatever source derived shall be paid to the treasurer of the authority
49 and shall be deposited forthwith in a bank or banks designated by the
50 authority. The monies in such accounts shall be paid out on check of the
51 treasurer upon requisition by such person or persons as the authority
52 may authorize to make such requisitions. All deposits of such monies
53 shall be secured by obligations of the United States or of the state or
54 of any municipality of a market value equal at all times to the amount
55 on deposit, and all banks and trust companies shall be authorized to
56 give such security for such deposits. To the extent practicable,

1 consistent with the cash requirements of the authority, all such monies
2 shall be deposited in interest bearing accounts. The authority shall
3 have power, notwithstanding the provisions of this section, to contract
4 with the holders of any bonds as to the custody, collection, security,
5 investment and payment of any monies of the authority or any monies held
6 in trust or otherwise for the payment of bonds or any way to secure
7 bonds, and carry out any such contract notwithstanding that such
8 contract may be inconsistent with the provisions of this section. Monies
9 held in trust or otherwise for the payment of bonds or in any way to
10 secure bonds and deposits of such monies may be secured in the same
11 manner as monies of the authority and all banks and trust companies are
12 authorized to give such security for such deposits. Any monies of the
13 authority not required for immediate use or disbursement may, at the
14 discretion of the authority, be invested in those obligations specified
15 pursuant to the provision of section ninety-eight-a of the state finance
16 law. Subject to the provisions of any contract with bond holders and
17 with the approval of the state comptroller, the authority shall
18 prescribe a system of accounts.

19 § 2676-l. Bonds legal investment for fiduciaries. The bonds of the
20 authority are hereby made securities in which all public officers and

24 including savings and loan associations, building and loan associations,
25 investment companies and other persons carrying on a banking business,

28 of this title, or thereafter, authorized to invest in bonds or other
29 obligations of the state may properly and legally invest funds including
30 capital in their control or belonging to them. Notwithstanding other
31 provisions of law, the bonds are also hereby made securities which may

34 deposit of bonds or other obligations of this state is upon the effec-
35 tive date of this title, or thereafter authorized.

36 § 2676-m. Agreement with state. The state does hereby pledge to and
37 agree with the holders of any bonds issued by the authority pursuant to
38 this title and with those persons or public corporations who may enter
39 into contracts with the authority pursuant to the provisions of this
40 title that the state will not alter, limit or impair the rights hereby
41 vested in the authority to purchase, construct, own and operate, main-

43 increase and extend, or dispose of any project, or any part or parts
44 thereof for which bonds of the authority shall have been issued, to
45 establish and collect rates, rents, fees, and other charges referred to
46 in this title, to fulfill the terms of any contracts or agreements made
47 with or for the benefit of the holders of bonds or with any person or
48 public corporation with reference to such project or part thereof, or in
49 any way to impair the rights and remedies of the holders of bonds, until
50 the bonds, together with interest thereon, including interest on any
51 unpaid installments of interest, and all costs and expenses in
52 connection with any action or proceeding by or on behalf of the holders
53 of bonds, are fully met and discharged and such contracts are fully
54 performed on the part of the authority. The authority is authorized to
55 include this pledge and agreement of the state in any agreement with the
56 holders of bonds.

1 § 2676-n. Agreement with county. The county is authorized to pledge to
2 and agree with the holders of any bonds issued by the authority pursuant
3 to this title and with those persons or public corporations who may
4 enter into contracts with the authority pursuant to the provisions of
5 this title that the county will not alter, limit or impair the rights
6 hereby vested in the authority to purchase, construct, own and operate,
7 maintain, repair, improve, reconstruct, renovate, rehabilitate, enlarge,
8 increase and extend, or dispose of any project, or any part or parts
9 thereof, for which bonds of the authority shall have been issued, to
10 establish and collect rates, rents, fees and other charges referred to
11 in this title, to fulfill the terms of any agreements made with the
12 holders of the bonds or with any public corporation or person with
13 reference to such project or part thereof, or in any way impair the
14 rights and remedies of the holders of bonds, until the bonds, together
15 with interest thereon, including interest on any unpaid installments of
16 interest, and all cost and expenses in connection with any action or
17 proceeding by or on behalf of the holders of bonds, are fully met and
18 discharged and such contracts are fully performed on the part of the
19 authority.

20 § 2676-o. Exemption from taxes, assessments and certain fees. 1. The
21 authority shall not be required to pay any fees, taxes, special ad valo-
22 rem levies, or assessments, whether state or local, including but not
23 limited to fees, taxes, special ad valorem levies, or assessments on
24 real property, franchise taxes, sales taxes, or other excise taxes, upon
25 any property owned by it or under its jurisdiction, control or super-
26 vision, or upon the uses thereof, or upon its activities in the opera-
27 tion and maintenance of its facilities or any rentals, rates, charges,
28 fees, revenues, or other income received by the authority. Notwithstand-
29 ing the previous sentence, the authority shall be required to pay water
30 and pure water fees or charges as may be negotiated by any public corpo-

32 mortgage recording, or transfer fees or taxes in relation to instruments
33 filed, recorded, or transferred by it or on its behalf. The
34 construction, use, occupation, or possession of any property owned by
35 the authority or the county, including improvements thereon, by any
36 person or public corporation under a lease, lease and sublease, or any

38 exemption, notwithstanding that the lessee, user, occupant, or person in
39 possession shall claim ownership for federal income tax purposes.

47 therefrom and all revenues, monies, and other property pledged to secure
48 the payment of such bonds shall at all times be free from taxation,
49 except for transfer and estate taxes.

50 § 2676-p. Actions against authority. 1. Except in an action for wrong-
51 ful death, no action or special proceeding shall be prosecuted or main-
52 tained against the authority, its members, officers, or employees for
53 personal injury or damage to real or personal property alleged to have
54 been sustained by reason of the negligence, tort, or wrongful act of the
55 authority or of any member, officer, agent, or employee thereof, unless
56 (a) a notice of claim shall have been made and served upon the authority

1 within the time limit set by and in compliance with section fifty-e of
2 the general municipal law; (b) it shall appear by and as an allegation
3 in the complaint or moving papers that at least thirty days have elapsed
4 since the service of such notice and that adjustment or payment thereof
5 has been neglected or refused; (c) the action or special proceeding
6 shall be commenced within one year and ninety days after the happening
7 of the event upon which the claim is based; and (d) an action against
8 the authority for wrongful death shall be commenced in accordance with
9 the notice of claim and time limitation provisions of title eleven of
10 article nine of this chapter.

11 2. Whenever a notice of claim is served upon the authority, it shall
12 have the right to demand an examination of the claimant relative to the
13 occurrence and extent of the injuries or damages for which claim is
14 made, in accordance with the provisions of section fifty-h of the gener-
15 al municipal law.

16 3. The authority may require any person presenting for settlement an
17 account or claim for any cause whatever against the authority to be
18 sworn before a member, counsel, or an attorney, officer, or employee of
19 the authority designated for such purpose, concerning such account or
20 claim and, when so sworn, to answer orally as to any facts relative to
21 such account or claim. The authority shall have power to settle or
22 adjust all claims in favor of or against the authority.

23 4. Any action or proceeding to which the authority or the people of
24 the state may be parties, in which any question arises as to the validi-
25 ty of this title, shall be preferred over all other civil causes of
26 action or cases, except election causes of action or cases, in all
27 courts of the state and shall be heard and determined in preference to
28 all other civil business pending therein except election causes, irre-
29 spective of position on the calendar. The same preference shall be
30 granted upon application of the authority or its counsel in any action
31 or proceeding questioning the validity of this title in which the
32 authority may be allowed to intervene. The venue of any such action or
33 proceeding shall be laid in the supreme court of the county.

34 5. The rate of interest to be paid by the authority upon any judgment
35 for which it is liable, other than a judgment on its bonds, shall be the
36 rate prescribed by section five thousand four of the civil practice law
37 and rules. Interest on payments of principal or interest on any bonds in
38 default shall accrue at the rate borne by such bonds from the due date
39 thereof until paid or otherwise satisfied.

40 § 2676-q. Contracts. 1. All contracts for construction shall be let by
41 the authority in conformity with the applicable provisions of section
42 one hundred thirty-five of the state finance law and shall be let in

44 wages, labor standards, and working hours.

45 2. The authority may, in its discretion, assign contracts for super-
46 vision and coordination to the successful bidder for any subdivision of
47 work for which the authority receives bids. The authority shall not
48 award any construction contract except to the lowest bidder who, in its
49 opinion, is qualified to perform the work required and who is responsi-
50 ble and reliable. The authority may, however, reject any or all bids or
51 waive any informality in a bid if it believes that the public interest
52 will be promoted thereby. The authority may reject any bid if, in its
53 judgment, the business and technical organization, plant, resources,
54 financial standing, or experience of the bidder justifies such rejection
55 in view of the work to be performed.

1 § 2676-r. Code of ethics. 1. Definition. As used in this section the
2 term "authority employee" shall mean any member, officer, or employee of
3 the authority.

4 2. Rule with respect to conflicts of interest. No authority employee
5 should have any interest, financial or otherwise, direct or indirect, or
6 engage in any business or transaction or professional activity, or incur
7 any obligation of any nature, which is in substantial conflict with the
8 proper discharge of such authority employee's duties in the public
9 interest.

10 3. Standards. (a) No authority employee shall accept other employment
11 which will impair such authority employee's independence of judgment in
12 the exercise of such authority employee's official duties.

13 (b) No authority employee shall accept employment or engage in any
14 business or professional activity which will require such authority
15 employee to disclose confidential information which such authority
16 employee has gained by reason of such authority employee's official
17 position or authority.

18 (c) No authority employee shall disclose confidential information
19 acquired by such authority employee in the course of such authority
20 employee's official duties nor use such information to further such
21 authority employee's personal interests.

22 (d) No authority employee shall use or attempt to use such authority
23 employee's official position to secure unwarranted privileges or
24 exemptions for such authority employee or others.

25 (e) No authority employee shall engage in any transaction as represen-
26 tative or agent of the authority with any business entity in which such
27 authority employee has a direct or indirect financial interest that
28 might reasonably tend to conflict with the proper discharge of such
29 authority employee's official duties.

30 (f) An authority employee shall not by such authority employee's
31 conduct give reasonable basis for the impression that any person can
32 improperly influence such authority employee or unduly enjoy such
33 authority employee's favor in the performance of such authority employ-
34 ee's official duties, or that such authority employee is affected by the
35 kinship, rank, position or influence of any party or person.

36 (g) An authority employee shall abstain from making personal invest-
37 ments in enterprises which such authority employee has reason to believe
38 may be directly involved in decisions to be made by such authority
39 employee or which will otherwise create substantial conflict between
40 such authority employee's duty in the public interest and such authority
41 employee's private interest.

42 (h) An authority employee shall endeavor to pursue a course of conduct
43 which will not raise suspicion among the public that such authority
44 employee is likely to be engaged in acts that are in violation of such
45 authority employee's trust.

46 (i) No authority employee employed on a full-time basis nor any firm
47 or association of which such authority employee is a member nor corpo-
48 ration a substantial portion of the stock of which is owned or
49 controlled directly or indirectly by such authority employee, should
50 sell goods or services to any person, firm, corporation or association
51 which is licensed or whose rates are fixed by the authority in which
52 such authority employee serves or is employed.

53 (j) If any authority employee shall have a financial interest, direct
54 or indirect, having a value of ten thousand dollars or more in any
55 activity which is subject to the jurisdiction of a regulatory agency,
56 such authority employee shall file with the secretary of state a written

1 statement that such authority employee has such a financial interest in
2 such activity which statement shall be open to public inspection.

3 4. Violations. In addition to any penalty contained in any other
4 provision of law any such authority employee who shall knowingly and
5 intentionally violate any of the provisions of this section may be
6 fined, suspended, or removed from office or employment.

7 § 2676-s. Agreements relating to payment in lieu of taxes. 1. In order
8 to assure that municipalities shall not suffer undue loss of taxes or
9 assessments in the event that the authority acquires any facility from
10 the county, any person paying real property taxes or assessments as of
11 the date of the transfer of title from the county to the authority on
12 any property located within any such facility shall make payments in
13 lieu of taxes in an amount equal to the sums which would ordinarily be
14 imposed as taxes by any municipality in which such property is located,
15 pursuant to the prevailing method of determining taxes and assessments.

16 2. Subject to any agreement with bond holders, the authority may, with
17 the approval of the county, but shall not be required to, enter into
18 agreements with any municipality of the state to pay annual sums in lieu
19 of taxes to any such municipality in respect of any real property which
20 is owned by the authority is located in such municipality and is used
21 for public purposes. For the purposes of this section, such public
22 purposes shall include without limitation athletic facilities, educa-
23 tional facilities, performing arts facilities, or residential facili-
24 ties.

25 3. (a) In the event that any real property owned by the authority is
26 used by the authority or a lessee thereof for purposes other than public
27 purposes, the authority, or lessee thereof, as the case may be, may,
28 with the approval of the county, enter into agreements with any munici-
29 pality of the state to pay annual sums in lieu of taxes in respect of
30 such real property located in such municipality. For the purposes of
31 this section, such purposes other than public purposes shall include
32 without limitation, athletic facilities, educational facilities,
33 performing arts facilities, residential facilities, or office buildings
34 to the extent not used by the authority or any other public corporation
35 for its own corporate purposes, and such other buildings and improve-
36 ments as determined by the authority to be not exclusively for public
37 purposes.

38 (b) The authority shall determine (i) the amount of such annual
39 payments in lieu of taxes; (ii) whether the use of such property is for
40 purposes other than public purposes; and (iii) the extent to which such
41 property is used for purposes other than public purposes. In making such
42 determinations the authority shall take into consideration the recommen-
43 dations, if any, of the county.

44 § 2676-t. Audit and annual report. In conformity with the provisions
45 of section five of article ten of the state constitution, the accounts
46 of the authority shall be subject to the supervision of the state comp-
47 troller and an annual audit shall be performed by an independent certi-

52 pursuant to the provisions of section twenty-eight hundred of this chap-
53 ter, and a copy of such report shall be filed with the clerk of the
54 county legislature and the county executive.

55 § 2676-u. Limited liability. Neither members, officers, or employees
56 of the authority, nor any municipality, or an officer or employee there-

1 of acting on behalf of the authority, shall be subject to any personal
2 liability resulting from the construction, maintenance, or operation of
3 any of the properties of the authority or from carrying out any of the
4 powers expressly given in this title provided, however, that this
5 section shall not be held to apply to any independent contractor.

6 § 2676-v. Transfer of applications, proceedings, approvals, and
7 permits. 1. Any application, review or process in relation to or in
8 furtherance of the purposes of or contemplated by this title heretofore
9 filed or undertaken, or any proceeding heretofore commenced or any
10 determination, finding or award made, by the county or by the county
11 with the federal government, or any other public corporation shall inure
12 to and for the benefit of the authority to the same extent and in the
13 same manner as if the authority has been a party to such application,

15 shall be deemed a party thereto, to the extent not prohibited by any
16 federal law. Any license, approval, permit, determination, finding,

18 to or as a result of any such application, review, process or proceeding

25 ing, financing, constructing, maintaining, operating, using, or occupy-
26 ing any facility financed in whole or in part by the authority.

27 § 2676-w. Separability. If any clause, sentence, paragraph, section,
28 or part of this title shall be adjudged by any court of competent juris-
29 isdiction to be invalid, such judgment shall not affect, impair or invali-
30 date the remainder thereof, but shall be confined in its operation to
31 the clause, sentence, paragraph, section, or part thereof involved in
32 the controversy in which such judgment shall have been rendered.

33 § 2676-x. Effect of inconsistent provisions. In so far as the
34 provisions of this title are inconsistent with the provisions of any
35 other act, general or special, or of the county charter or any local
36 law, charter, ordinance or resolution of the county or another munici-
37 pality, the provisions of this title shall be controlling. Nothing
38 contained in this section shall be held to supplement or otherwise
39 expand the powers or duties of the authority otherwise set forth in this
40 title. Except as specifically provided for in this title, in the
41 performance of any of its functions, powers and duties, the authority
42 shall be subject to all applicable general or special laws of the state,
43 the county charter, and any local law, ordinance or resolution of the
44 county.

45 § 2. This act shall take effect immediately.
