

Advance Albany County Alliance
Arts and Culture Advisory Council
Mission Statement

The mission of the Advance Albany County Alliance Arts and Culture Advisory Council is to foster a vibrant and inclusive cultural landscape that enriches the lives of all residents and visitors. Through the promotion, support, and development of diverse artistic and cultural initiatives, we aim to celebrate the unique heritage, creativity, and innovation of Albany County. We are committed to providing assistance to cultural institutions, creative communities and local artists, helping them rebuild and thrive in the post-pandemic environment. By cultivating partnerships, enhancing access to the arts, and inspiring community engagement, we advocate for cultural equity and the economic vitality that the arts bring to our region.
